

Always-On High-Speed Satellite Internet Available Anywhere.

The StarBand Nova services – Nova 500, 1000 and 1500 – offer reliable, high performance, always-on broadband satellite Internet for homes and businesses across the U.S. (including Hawaii, Alaska, Puerto Rico & the U.S. Virgin Islands).

StarBand Nova 500 provides an economical broadband option designed for customers that need a basic Internet service.

StarBand Nova 1000 and 1500 provide enhanced performance and faster speeds to meet the needs of small office/home office (SOHO), telecommuter and small business customers.

Value-added services include: 10 free hours of dial access per month; virus protection; spam filtering; access to the StarBand Member Portal; 24X7 online support; up to 15 email accounts; each with 7GB of space powered by Google™.
